

BERNARDS TOWNSHIP EDUCATION FOUNDATION

Dear Parents, Educators, and Community Members,

Sunday evening at Golden Hour was a truly special moment for the **Bernards Township Education Foundation**. Our very first gathering brought together about 70 members of our community, and we are incredibly grateful to every one of you who took the time to be there.

Thank you for showing up, for believing in the mission, and for supporting the idea that our schools deserve the very best we can give them. Your presence alone sent a powerful message—that *our community cares deeply about education and the opportunities we create for our children*.

Building something meaningful for our schools will take all of us. Last night was just the beginning. With your continued support, energy, and generosity, we can raise the resources needed to fund innovative programs, empower our educators, and create even more opportunities for students across our town.

We are excited about what we can accomplish together. Let's keep the momentum going and make great things happen for our schools!

In the meantime, make sure to keep a look out for our Youth Initiative table at the Ridge Activities Fair on April 23rd and a BTEF Booth at Charter Day on May 16th.

With sincere gratitude,

Bernards Township Education Foundation

BTEF Team with Superintendent Nick Markarian

BTEF Team with Bernards Township Board of Education members

BTEF Team with Committeewoman Jennifer L. Asay and Mayor Ana Duarte McCarthy
